Regence Code Pair Edits Do Not Bypass with Modifier -59

Regence has determined that the following code pairs are typically not appropriately reported together with modifier -59. Proper use of modifier -59 is defined in the CPT Manual, NCCI Policy Manual, CMS guidelines and Regence Reimbursement Policy - Modifier 105 - Modifier -59 – Distinct Procedural Service.

Effective 10/1/2012 the following code pairs will not allow modifier -59 to bypass the code pair denial.
